

*Hi Everyone,*

*I hope you all had a lovely Easter. We will be sending out new musical tasks each week to keep you busy. Here are this week's tasks. Enjoy! Christina & Mrs Offer 😊*

## Task 1

If you have your instruments at home, here is a challenge for you:

## SCRAMBLED PHRASES

This tune has become jumbled up.

Can you RE-ARRANGE  
THE PHRASES in the  
correct order?

Merrily we roll along

Merrily we roll along - how it should be!

## BEFORE YOU START...

- Can you sing the whole song in your head
- Once you've unscrambled the phrases, write out the tune correctly.

## **Task 2**

### **Time to Sing & Compose**

Here is a short song to get you warmed up and singing & composing – Click on this link to watch the video:

[Hello Everybody](#)

**Q. What does the word COMPOSE mean in music?**

### **What to do:**

- Press play, be ready to listen and sing back, also copying the movements.
- It is clear when you need to listen and when you need to sing back and copy.
- When you are familiar with how the song works try making up **(composing)** your own lines and actions getting a family member to sing back to you.
- Maybe you could try it over facetime or zoom (or whatever you use!) when you next call friends.

Have fun!

**Have fun with your music making –**

**Stay safe and don't forget to wash your hands before you touch your mouthpiece!!!**
