Key stage 2 comparative report / Greater Depth

Total number of children in the year group : 11

A scaled score of 100 represents the expected standard for each test.

If your child gets a scaled score of 100 or more, it means they are working at, or above the expected standard in the subject.

If your child gets a scaled score of 110 or more, it means they are working at **a greater depth** in the subject. (However, a greater depth score, is only reported in writing, which is based on teacher assessment.)
