

Hi Everyone,

We will be sending out new musical tasks each week to keep you busy. Here are this week's tasks. Enjoy! Christina & Mrs Offer 😊

Task 1

Here is a short funny song to get you warmed up and singing & composing your own actions – Click on this link to watch the video:

[The Do Be Do Song](#)

Q. Can you COMPOSE your own song with some funny actions?

What to do:

Don't be grumpy, sing a song...It goes like this, just sing along....

- Press play, and follow Ula's instructions and you'll soon be singing, and moving along with us.
- Try adding some of your own groovy moves.
- Keep up at the end as we get faster and faster!
- When you know it really well sing it to someone else at home and get them to make up some groovy moves for you to copy.

Task:

Draw a picture of a grumpy face and then draw a picture of your face once you've sung with us! – We hope it is a happier face....!

Have fun!

Task 2

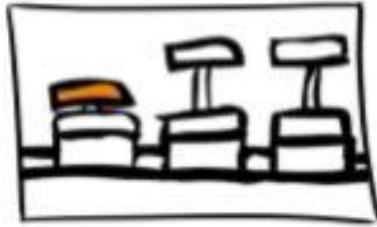

If you have your instruments at home, try these new tunes on the note **F** -

Try with the **backing track**, which can you manage? The fast or the slow track or both?

If you haven't got your instrument with you sing the notes and mime using your invisible instruments!
