

Hi Everyone,

We will be sending out new musical tasks each week to keep you busy. Here are this week's tasks. Enjoy! Christina & Mrs Offer 😊

Task 1

Let's Put the Rooster in the Stew

This is a RHYTHM singing game – for this you will need:

2 sticks/pencils/chopsticks/or just your clapping hands AND some **concentration** and **coordination!!!**

Follow along with the instruction video here and then show you family OR challenge your friends to do it on an online call!

[Let's Put the Rooster in the Stew](#)

Q. Can you follow the 7-beat pattern in the video and manage to tap your sticks/hands on the right beats?

Here are the lyrics:

*Let's put the rooster in the stew,
Let's put the rooster in the stew,
Then he cannot say cocka-doodle-doodle-doo,
Then he cannot say cocka-doodle-doodle-doo!*

Have fun!

Task 2

If you have your instruments at home, see if you can play **Cold Cross Buns** – However, first you will need to remember which note is which – Can you name the notes?

Try with the **backing track**, which can you manage? The fast or the slow track or both?

If you haven't got your instrument with you sing the notes and mime using your invisible instruments!
