

# World Ocean Day!

Fallon Brown

Monday 8<sup>th</sup> June 2020

The order of Oceans. Largest to smallest.

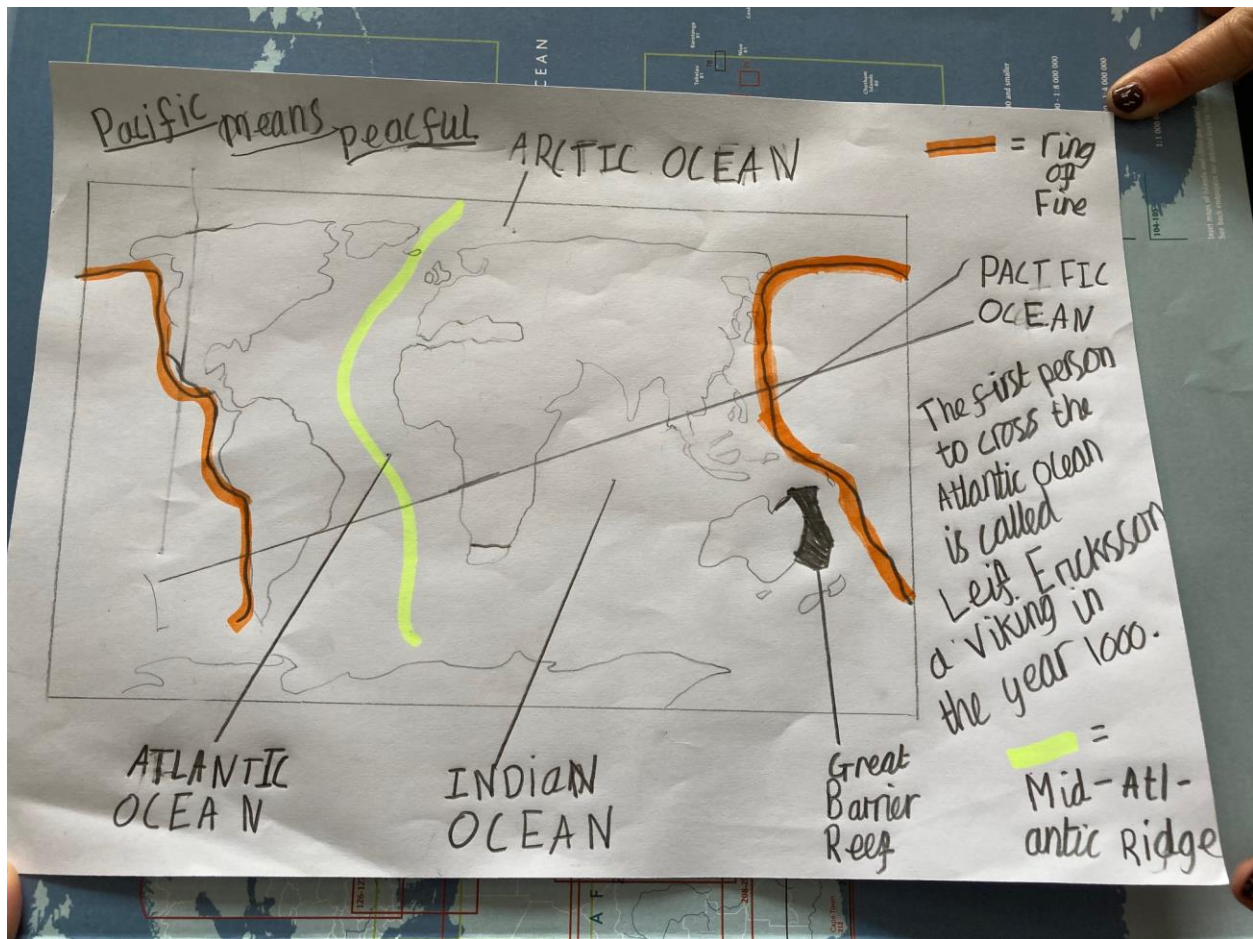

Pacific Ocean

Atlantic Ocean

Indian Ocean

Southern Ocean

Arctic Ocean

The ice is melting because of global warming which is caused by car fumes and people eating meat so to help you can try to reduce the amount of meat we eat and try to do less driving and do more walking, biking and rollerblading it will really help thank you.

P.S also if you use less plastic it will help.
